DEDICATION

We dedicate this, the '65 Jay, to a man who has given his life to the education of young people. He has in his own cheerful way done something to brighten the life of almost everyone at JSHS. He has been a guiding light and inspiration as a coach and his sincere interest in the Senior Class has given us many new activities and achievements. He was always willing to help when needed--Homecoming, Senior Dance, Senior Class trip, party, banquet and graduation. In these our formative years, he has helped us enrich our lives and mold our future through his guidance and leadership. If ever there was a man who deserved all the recognition and honor which we could give, he is the one. With deepest respect we dedicate this book to . . .

The J Club Story

The J Club is composed of members who have lettered in some athletic activity. Admission is also accompanied by a one month probation period and an initiation. Initiation includes wearing a large maroon J for a day without any talking. The penalty of push-ups was given for those who found it necessary to talk.

They strive vigorously to support good sportsmanship in all events. Their activities include the sale of candy and soda at all major sports events. This year they also co-sponsored a dance with the Junior Class after the February basketball game against Sun Prairie.

And so I like to think I shall go back . . .
Someday, sometime.
